CAMERON, MILAM COUNTY, TEXAS, March 2, 1970

8 PAGES TODAY

PUBLIC SCHOOLS WEEK display at Ben Milam School is studied by Ronnie Henley between classes. Cameron Schools, along with all Texas schools, will observe the

special week with open houses, classroom displays, and various programs for parents and friends this week.

Area Schools To Mark 'PS' Week

Open House Here Thursday

Area schools are completing plans for welcoming visitors to classrooms this week for the annual observance of Public Schools Week, March 2 through 6.

Cameron schools will have open house on Thursday at all buildings for classroom visiting. High school science fair exhibits will also be on display. In Buckholts, Milano and Rogers, the schools will be open to visitors all week, with special programs planned by educational organizations.

Open house for Cameron schools will be held from 6 until 8 p.m. Thursday. Supt. D. R. Dodson said the visiting hours will be 30 minutes longer this year.

Classrooms at Ben Milam, Ada Henderson, Cameron Junior High, and Yoe High will be open to visitors and will feature displays of students' work.

The Cameron Parent-Teachers Association will serve refreshments to school visitors on the first floor of Yoe High. A meeting to elect officers for the organization will be held at 8, following the open house.

On Thursday, the Milano PTA will host an open house from 7 until 9 p.m. Both elementary and high school buildings will be open to visitors, with students' work exhibited in the classrooms.

ROGERS

Rogers school classrooms will be open to visitors during all of Public Schools Week for parents and friends to see the students at work.

School Supt. B. F. Harbour said there will be no special programs "just to entertain parents" but visitors will be invited right into the classrooms to see how the teaching and learning process is carried out. Students' work will be on display in the rooms.

The high school Student Council will observe "Teacher Appreciation Week" from March 2-6, along with Public Schools Week.

City's Week

Rotary Club, 12 noon, The Texan

THURSDAY, MAR. 5
Science Fair 6-8 p.m., Yoe High School
Cameron PTA, Ben Milam School 8 p.m.

Natl. Farmers Organization 7:30 p.m., Dist. Courtroom, Milam County Courthouse.

Trio Charged In Shooting Falls Thefts

Charges of injury to property of others, burglary, theft over \$50 and discharge of firearms into houses and businesses have been filed in Milam, Bell and Falls counties against three Temple men. Bonds have been set totaling more than \$100,000.

Edward Louis Rohan, 21, of Temple, formerly a resident of Rosebud, John M. Montgomery, 17, and Thomas Mikulastik, 19, are charged in burglary and shooting incidents in the three counties on February 9, 19 and 20.

Milam County Attorney John B. Henderson, Jr. charged the trio with shooting into the automobile of Burlington constable Herman Dornier and into a pickup owned by Robert DeLeon. Bonds of \$2,500 each have been set in Milam County.

They are charged in Bell County with the armed robbery of the Zippy Food Store and in Falls County on 21 counts of burglary, theft and discharging of firearms.

Law officials said the first incidents reported were early February 8 when Cecil Hileman's Drive-In, McAtee Chevrolet and Sanders Texaco, all in Rosebud, were broken into and several shots were fired into parked cars, businesses and homes along US 77 west of Rosebud.

On February 19 there were shooting incidents again in Rosebud, including at the Church of Christ in God. More shooting incidents were reported that night at Burlington damaging a car at the Walter Marek home, the garage at the Catholic rectory, an automobile belonging to Herman Dornier, Jr., Reuben Fox's Mobil Station, and a pickup belonging to Robert DeLeon.

On Feb. 20 shots were fired into Leonard Pelzel's steel fertilizer tank near Wilson, Raymond Kosel's store and Voltin Brothers' office in Wilson.

The suspects are believed to have been riding in two cars equipped with police radio monitors. One car, owned by one of the suspects was abandoned and later reported stolen.

Several weapons were confiscated and sent to the Department of Public Safety laboratories for tests.

The three men are being held in Falls County jail.

Yoe Slows AA Diboll, 6-8 Mitchell

By Frank Luecke

The Yoemen are slowing the run-and-shoot offense of East Texas 22AA power Diboll (27-10) at presstime Saturday.

A crowd of about 1500 is watching the 1:15 p.m. regional contest at Blinn College Gymnasium. Seating capacity is 1250.

Cameron is fielding the same starting five which wrung a last-second win from Round Rock two weeks ago and led all the way in a bi-district win over Luling here Tuesday night.

They are: forward Jerry Richardson, top scorer against Luling, guard Robert Brashear, leading scorer in the 53-52 Round Rock fantasmagorical, co-captain and rock - steady forward John Steamer, rubber-legged center Willie White and crisp guard Ken McLerran.

Diboll moves the ball quickly down court and feeds 6-foot, 8-inch Mack Mitchell, said before gametime by Yoe Coach Ken Murdock, to be a 10-second sprinter committed to athletics next year at the University of Houston.

Mitchell's 50-point game average tops that of any player on the court at Blinn this afternoon.

Kountze and Teague, both highly rated AA clubs, played the 11:15 a.m. Saturday game before a smaller crowd. Outcome was expected to see Teague the winner, who would play the victor of this Diboll-Cameron game at 8 p.m. Saturday.

The Blinn AA regional is one of four in the state. Others are underway at Lubbock, Big Spring and Denton, played on college or university gymnasiums.

Murdock said in a pre-game interview that the field of 16 teams will be reduced tonight to four regional winners, who will play for the AA crown at the University of Texas Gregory gym next weekend, starting Friday with A and AAA teams.

Murdock said "we are going to hold the ball 'till we shoot against Diboll (pronounced DY' ball)." He said the Yoemen would have to hit about 50 percent through regional and beyond to continue the winning skein which began January 1 and was broken only by Round Rock and one other team in a practice game prior to Luling. But the Yoemen show the "moxie" to win the games for record.

Murdock's concern for the 130-pound Mitchell caused his game plan to include a 1-2-1 zone defense for Diboll. The big center will be surrounded by Yoe players each time he moves in front of the basket.

He noted the Luling Eagles hit only about 12 percent in the first half of the bi-district here Tuesday. Murdock said the Yoe defense had been changed prior to the first jump and kept Eagle shooters outside, and they were cold anyhow.

Diboll may not be so obliging this second Brenham regional game. Win-wise Cameron well might fade the Teague club in tonight's finale.

If so, the Yoe's next stop may be Austin. And that would bring Cameron to an incredible year of two seasons: the first, the 5-9 record of winter, 1969 games, and the 14-2 string of these first months of 1970.

Final Count Complete For Voters

Milam County Tax Office registered 9,099 voters before the January 31 deadline, with Rockdale tallying the highest count, 2,747. Cameron showed 2,363 voters registering.

Tax office workers completed the voter list Thursday. The final count was slightly lower than expected because of duplicate registrations.

Registration by precincts was: Camdron 1, 818; Cameron 2, 1545; Salem 3, 127; Ad Hall 4, 118; Elm Ridge 5, 128; Rice 18, 62; Minerva 19, 118; Mayfield 6, 150; Jones Prairie 7, 168; Branchville 9, 94; Marlow 14, 153; Milano 11, 445; Gause 12, 326; Rockdale 15, 1390; Rockdale 16, 1357; Davila 26, 187; Sharp 29, 147; San Gabriel 30, 61; Buckholts 32, 344; Burlington 34, 108; Ben Arnold 35, 147; Marak 37, 68; Yarrington 38, 94; Connally 40, 86; Thorndale 42, 858.

Now With F.M.L.

JUST MAYBE!
Readership for leadership? It's possible. THANKS...

...Many thanks to the continuing endorsement of the semi-weekly Herald of growing numbers, now including:

BUCKHOLTS--R. P. Lehman, Cecil Criswell, BURLINGTON--Alton Schiller, Rt. 1; Ervin Stoenner, ROSEBUD--John A. Tarver, Jr.

ROGERS--W. B. Prater, Jr. THORNDALE--C. D. Caffey, BRYAN--W. J. Randemann, Jr.

HILLSBORO--Mr. and Mrs. E. D. Beard, HOUSTON--Mr. and Mrs. Richard Terry.

CHICAGO, ILL.--Mrs. Lenora Smolinski.

NOW-NOW-NOW

The Sheriff's Department of Milam County is modernizing with planned installation of a teletype - communication system, as well as radio receivers, two way and otherwise.

County officials see the need to make available additional budgeting for new personnel to meet the needs of modern police technology Sheriff Black is assuming.

One suggestion is that the combination of constable salaries be added to the deputy budget since, in fact, constables in most of the County's eight precincts demand little major commitment.

To Subscribe For Both Heralds . . .

104 Heralds cost just \$5.50 if you live in Milam County -- \$6.50 outside the county. If your present subscription is for the Thursday Herald only, you pay a pro-rata share of the balance on it, and add \$2 for the Weekend Herald. Thus your subscription to both papers will be due on one date.

FOR EXAMPLE: If your Thursday Herald is paid to August, 1970, you pay an additional \$2.05 and the \$2 for the Weekend Herald, a total of \$4.05. For out of the county the total would be \$1 more. This pays your subscription up through February, 1970 for both papers. Call 697-6671 for further information.

On-Jobs Program . . . Students Train For Careers

By Lloyd Albertson

You don't need a college education in order to have a successful career.

That statement, put bluntly like that, may seem a little startling. Because a widely held belief has grown up during the post - World War II era that a college education is practically indispensable for success in today's world.

Recently, however, there have been some second thoughts about

this, with the conclusion that, in the words of an old Gershwin popular song, "it ain't necessarily so."

One of the things that may be causing the change of ideas is the increase in vocational-technical training programs across the country at both the high school and the college level.

In high school the programs are offered by the vocational agriculture department, and usually is the new Cooperative Part-time Training in vocational agriculture course.

Here in Texas it is only in its fourth year of operation, but already approximately 150 vocational agriculture departments across the state are offering the program - 40 of them for the first time during the 1968-69 school term.

The Cooperative Part - time Training courses are planned to give instruction and training to students who are interested in finding employment in an off-farm agricultural occupation. They also are designed to provide technical instruction and work experience for vocational agriculture students who plan employment in farming and ranching occupations.

The program is divided into two parts. Students spend one hour in class each school day to get instruction in the occupation for which they are training. They then spend three hours or more each day in on - the - job training in order to learn the occupation.

The Cooperative Part - time Training program is only two years old here at Yoe High School's Voc - Ag department. Vocational agriculture teacher Cornelius Tittsworth is the instructor for the course. There are 16 students in the class. All are seniors.

"A boy must be between 17 and 19 years of age in order to be in the class," Tittsworth explained.

Cameron's police force is down to a three-man crew, following the resignation of Wayne Brinkley, who went back to the Rockdale police force.

The Rockdale City Council recently voted a pay raise for its city policemen and the town now boasts a six-man crew, including the police chief.

Brinkley is the second patrolman to resign within about two months. Jack Brooks left Cameron at the end of December to join the Angleton police force at a reported salary of \$595 per month. Brinkley, however, gave other reasons besides salary for resigning, including

the fact that his home is in Rockdale.

Starting salary for Cameron policemen is about \$373 per month, plus a \$10 per month uniform allowance and five paid holidays. Rockdale's starting salary is \$400 for inexperienced men, and \$425 for experienced men.

A night watchman augments the Cameron police force.

With the force reduced to two patrolmen and a chief, Cameron policemen are working longer hours at least two days a week, when they put in a 12-hour day instead of eight hours.

The on-farm trainees, all listed as farm employees and working on various farms in the area include Lonnie Dodd, Johnny Dohalik, Melvin Hollas, Raymond Tittsworth, and Aubrey Warwick, feed salesman with Cent-Tex Feeders Supply.

The on-farm trainees, all listed as farm employees and working on various farms in the area include Lonnie Dodd, Johnny Dohalik, Melvin Hollas, Raymond Tittsworth, and Aubrey Warwick, feed salesman with Cent-Tex Feeders Supply.

Textbooks used in the course are prepared by A&M University and are written by college professors, vo-ag teachers and specialists and technicians with machinery manufacturers and industries.

Tittsworth estimates that about 40 percent of the class period is taken up by his lectures and the remainder is devoted to textbook study.

The student's afternoon is spent in on-the-job training, beginning about 1 p.m. It is at least three hours, but may run to five or six, depending on the place where he is employed. "From about 1 p.m. to closing time," is the way Tittsworth explains it.

The 16 students in the class are divided fairly evenly between off-farm agriculture occupations and on-farm occupations.

The off - farm agriculture group includes Douglas Eichinger, studying ornamental horticulture at Glass the Florist; Rickie Hairston, employed as a feed salesman with Cent-Tex Feeder Supply; Charlie McAnulty, feed sales and service at Milam Grain Company; Joe Ro-

cha, agriculture machine repairman, International Harvester Co.; Jimmy Vansa, farm machine partsman, Duncum Implement Co.; Sam Wallace, veterinarian assistant with Drs. Ryan and Tittsworth; and Aubrey Warwick, feed salesman with Cent-Tex Feeders Supply.

Weekend Carpenters At Work

Boy Scouts from Troop 52 with the help of fathers and Scout Master Felix Matula spent a 2-day work weekend at the Boy Scout House in Wilson-Ledbetter Park. The volunteers worked both outside and inside the 1930's building, cleaning, repairing and replacing.

Weekend carpenters were Matula, Joe Mondrik and Louis Trdy, plus Mike and Jeff Mortimer, Joey, Larry, Jeff and Jimmy Mondrik, Mike and Gary Trdy, Mark Michalka, Bruce Zarosky, David Fincher, Scott and Eugene Mitchan, Greg Sheguit.

Materials for the project have been furnished by local stores and industries.

'Dial Access' Aids Doctor Treating Cancer Patients

A medical information service created by The University of Texas M. D. Anderson Hospital and Tumor Institute at Houston will be available March 1 to physicians in all communities in the state.

The "Dial Access" system consists of 100 pre-recorded medical lecture-consultations on various treatments, drugs and techniques used to help the cancer patient.

Recordings which range up to seven minutes in length are transmitted via telephone. Long distance calls for Texas physicians are toll-free.

"Dial Access serves as a consultative aid and is not intended to replace the intensive personal care of the attending physician," said Dr. Robert C. Hickey, executive vice president and director.

Presentations were recorded by physicians and medical investigators at the university cancer hospital, as well as other eminent Texas scientists. Recordings will be upgraded and expanded periodically as new information evolves and new subjects are requested. The Dial Access program operates as an extension of Anderson's Research Medical Library.

Dial Access was initiated after an extensive survey was made under the auspices of the Regional Medical Program of Texas. This survey indicated that Texas physicians are interested in utilizing a variety of methods to keep current on the latest diagnostic and therapeutic concepts in caring for the cancer patient. To help meet this need RMP supplied funds for playback equipment.

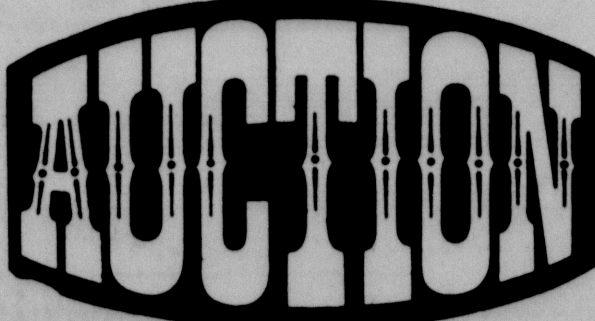

REP. KUBIAK TO ADDRESS TSTA MEET

State Rep. Dan Kubiak of Rockdale will address the Milan County Texas State Teachers Association in Buckholts at 7 p.m., Monday, March 2.

Kubiak, who taught school for six years before being elected state representative, lists as his topic, "Education, an investment in the future."

A member of the House Public Education Committee, Rep. Kubiak will discuss legislation passed by the 61st Legislature and the legislation anticipated in the 62nd Legislature which meets in January 1971.

Lorena Downs Buckholts For Bi-District B Crown

By Alan Barkemeyer

TEMPLE
Senior forward Dee Ann Burnett scored 33 points and teammate Connie Hansen poured in 18 more as the Lorena Leopardettes romped to a 57-37 Class B bi-district victory over the Buckholts Badgerettes on February 16 in Temple Junior College gym.

The Leopardettes, champions of District 53B, ran their season record to 25-9 and moved into the Regional playoffs in San Marcos.

Lorena won the first game of that tourney, but lost to Round Top - Carmine, perennial state champion, by five points in the second game. Lorena was 13-0 in district play.

Buckholts played head-to-head ball with the Leopardettes in the first period. Becky Beckhusen hit 3 of 6 field goals and 2 of 3 free throws for 8 points and Martha Vaculin hit 2 of 4 free throws, but the Badgerettes still trailed as the quarter ended, 13-10.

All-District forward Dee Ann Burnett ripped the nets for 10 points in the first quarter and poured in 11 more in the second as Lorena upped its lead to 32-17. Burnett hit 14 of 19 free throws in the first half. That's when the Badgerettes committed most of their 29 team fouls. Buckholts gave up the ball 11 times on turnovers to only 5 for Lorena.

Buckholts cut Lorena's lead to 10 in the third quarter as Becky scored 7 more points and Martha 4, but the Badgerettes still trailed 38-28 as the fourth period got under way. Buckholts forward Debra Ruzicka collected her fifth foul in the third period and left the game. Lorena hit a cold streak in that quarter and managed only 6 points.

But they started moving in the last quarter as Connie Hansen scored 8 points to spark the team. During the last 4 minutes of the game Badgerette guard Jo Ann Beckhusen fouled out and Buckholts committed its 23rd turnover of the game.

Becky Beckhusen got 8 points and Martha Vaculin 1 in the last quarter for the Badgerettes' points.

Buckholts, ending its season with a 15-14 record and a District 54B Crown, was vacated by Beckhusen's 26 points and Vaculin's 11. Marilyn Marek and Becky grabbed off 6 rebounds apiece while Jo Ann Beckhusen and Gail Orsag pulled down 5 each.

Buckholts hit 13 of 45 field goals for 29% and connected on 11 of 25 free throw attempts for 42%. The Badgerettes committed 25 turnovers and 29 team fouls.

Lorena was led by Burnett's 33 points and 4 rebounds. During the regular season Burnett averaged only 14.0 points a game. Connie Hansen chipped in 18 points and 3 rebounds. Shirley Belver cleared the boards for 8 rebounds to lead in that department.

Lorena sank 16 of 41 field goal tries for 39% and hit 25 of 42 free throws for 60%. Burnett sank 21 of 29 for the Leopardettes, who fouled 17 times and only produced 12 turnovers.

Peanuts Top March Foods List

Enrich March menus with peanuts, suggests Texas Agricultural Extension Service specialists. Peanuts and peanut products are featured on the U.S. Department of Agriculture's monthly plentiful foods list. Farmers last year turned in a crop slightly above 1968's record production — meaning a big supply on hand for lots of crunchy, delicious eating.

Special emphasis in March will tie in with National Peanut Week, sponsored by the industry from March 4-14.

Other plentiful foods listed by USDA's Consumer and Marketing Service include canned tomatoes and tomato products, canned and frozen sweet corn, canned pears, broilers and rice.

Make chicken a frequent item on the dinner table. Marketings of broilers are expected to run about 14 percent ahead of a year ago. Chicken ties in tastily with rice, which chalked up the second largest production on record during 1968.

Include March plentiful foods in your menu plans for cost cuts and variety.

'Lone Star 400' Opens Season

An exciting season of auto racing has been announced for 1970 by Texas International Speedway, located on Highway 6, just south of Bryan-College Station.

The season gets underway on Sunday June 21 with the running of the 'Lone Star 400' - a 400 mile NASCAR Grand National Late Model Stock car race. The event will mark the return of the stock cars that made their successful debut at the new multi-

million dollar racing facility in December of last year.

On Sunday October 11 a unique 'twin bill' event will be held at Texas International Speedway. Sanctioned by the United States Auto Club, two 200 mile races will be run on that date: one for Indianapolis (Indy) Championship cars; and one for USAC Late Model Stock Cars.

Leading USAC competitors - including famed Texan A. J. Foyt

- are expected to be in action.

Sunday December 6th is the date set for the second NASCAR Grand National race to be held at TIS in 1970.

Season tickets are available for all three events and ticket information may be obtained by writing: Texas International Speedway, P. O. Drawer AG, College Station, Texas 77840, or calling (713) 846-8741.

THE FAMILY LAWYER

Adopting an Adult

In the mind's eye, the word "adoption" conjures up a vision of doting parents taking possession of a gurgling infant—their last to raise as their very own child. That is, indeed, a typical scene in an adoption court. But there is another, quite different kind of adoption. In most states it is just as lawful to adopt an adult as to adopt a child. Furthermore, in terms of legal formalities, it is even easier.

For example, it is usually not necessary to get the consent of the adult's natural parents, as it is with a child, or to go through a waiting period before the adoption becomes final.

Why would anybody want to adopt an adult? Obviously, it is not to "raise" him. In most cases, the purpose is simply to make him the heir of the adopting parent or parents.

In fact, the procedure has been attacked for just that reason. In one case a childless old man adopted three of his relatives, each one middle-aged. After the man died, several other relatives went to court to challenge the adoption.

"There is nothing humanitarian about the whole thing," they argued. "It is merely a device to cut out of the estate leaving these three as the only heirs."

But the court ruled that even if this was true, it did not invalidate the adoption.

"This motive," said the court, "is a perfectly proper one."

Nevertheless, critics fear that the mere possibility of an adult adoption may lend encouragement to fortune hunters. In another case, a widower adopted his youthful housekeeper just before he died.

This meant she could share in the man's estate along with his natural children.

But in a court hearing, the children pointed out that the young woman had also been their father's mistress, that he had become mentally infirm, and that she had wielded excessive power over him.

The court thereupon decided the adoption was null and void. The judge said an adult adoption, used as a substitute for a will, should—like a will—be free of undue influence.

San Gabriel

By Mrs. Ralph Heisch and Mrs. Dan Beason of Thorn-dale.

Mr. and Mrs. James Harold McDaniel and sons of Thorndale were guests of his parents, Mr. and Mrs. Jim McDaniel Sunday, 2 at Eagle Lake following a short illness.

Mr. and Mrs. William Stigall, Mr. and Mrs. Bill Stigall and boys of League City were here to spend the weekend with Bill's parents, Mr. and Mrs. William Stigall.

Mrs. Harold Jobs of Austin visited Saturday with her grandmother, Mrs. Howard Fulcher. Mr. and Mrs. Weldon Gilchrist were at home this weekend, but will return to Houston where Mr. Gilchrist is an outpatient at a hospital there.

Mr. and Mrs. J. D. Caffey of Houston spent the weekend with her mother, Mrs. Howard Fulcher.

Burlington

By Mrs. Gerald Foshee

John Underwood of Seymour spent the weekend visiting William Foshee.

Mrs. Hattie Benesh entertained the 42 Club Tuesday afternoon.

Mrs. Bob Wied, Mrs. Elo Bue-geler and Mrs. Aleta Marek visited Mrs. Johanna Wied of Rose-bud Saturday night.

Mrs. Alma Aigner of Waco visited here last Wednesday morning.

Mr. and Mrs. Henry Davenport visited Mr. and Mrs. Carlton Parker of Hewitt Monday night.

John Henkel Jr. spent the weekend with Mr. and Mrs. Ben Fox.

Mr. and Mrs. Herman Dornier Sr. and Mrs. Eugene Hoff, Leslie, and Beth Ann went to Temple last Thursday.

Joyce and Sharon McCollum spent the weekend with Mrs. J. T. Prescott and Jake.

Mr. and Mrs. Gerald Foshee spent Sunday with Mr. and Mrs. Joe Ralston of Little River. Bobby Joe returned home after spending Saturday night here.

Mr. and Mrs. Roy Lee Franklin of Bryan visited Mr. and Mrs. Gerald Foshee and Mrs. J. T. Prescott and Jake.

Mr. and Mrs. Arthur Boehme and Rodney of Waco visited Char-ley Boehme on Saturday.

Mr. and Mrs. Herman Stoeb-ner, Brenda and Janice of Tem-ple visited Mr. and Mrs. Ervin Stoebner Sunday evening.

Mr. and Mrs. Ervin Stoebner returned home Sunday from Vic-toria, their son, Raymond re-turned home Saturday from the hospital after having surgery on his neck last Monday and was doing O.K.

William Foshee and John Underwood of Seymour spent Fri-day and Saturday night with Mr. and Mrs. Joe Ralston and Bobby of Little River.

Obituaries

Blackwell

Willis Blackwell, of Eagle Lake, and formerly of Milam County, died Monday, February 2 at Eagle Lake following a short illness.

Mr. Blackwell was born April 2, 1891 near Yarrington, the son of Leonard and Annie Laurie Kemp Blackwell. He lived in Wharton County most of his life-time and was a farmer and ranch-er.

He was an active member of the Bonus Baptist Church.

He married Miss R. J. Key January 19, 1913 in Rockdale. His wife preceded him in death December 16, 1935.

Funeral services were held from the Mill-Baur Funeral Home at 2:30 p.m. Wednesday, Feb. 4 with Rev. Ken Temple and Rev. Wayne Barne officiating. Burial was in the Wharton Cemetery.

Surviving are seven daughters, Mrs. Lois Boerner and Mrs. Joyce Barnhill of Wharton, Mrs. Izora Rice and Mrs. Darlene Looche of Houston, Mrs. Billie Jean Adams of Burket and Mrs. Aileen Sanders and Mrs. Geraldine Sanders of Eagle Lake; one son, J. W. Blackwell of Pledger; two sisters, Mrs. Gertrude Har-ris of Cameron and Mrs. Nora Buff of Nederland; 22 grand-children and six great grand-children.

Palbearers were Jack Rice, Larry Rice and Lynn Boerner of Houston, Jimmy Barnhill of Wharton and Bruce Adams and Ricky Adams of Burket.

Walden

Cass Walden, 70, died at 2:50 p.m. Tuesday in a Temple hos-pital following a short illness. He was born January 13, 1900 in Cameron and was an oil field worker.

Funeral services were held at 2 p.m. Friday at the First Baptist Church, the Rev. J. E. Lafferty officiating. Burial was in Liberty Cemetery.

Surviving are his wife, Mrs. Cass Walden of Cameron; one son, Lamar Walden of Tulare, Calif.; two daughters, Mrs. Nor-man Curtis of Houston and Mrs. Lafrona Derebery of Houston; one brother, Cecil Walden of Weatherford; ten grandchildren; Marek-Burns Funeral Home was in charge of arrangements.

White

Vaughn White, 79, of Brown-field died Sunday, Feb. 22 in Brownfield.

Funeral services were held Wednesday at 10 a.m. in Brown-field.

He is survived by his wife, Mrs. Dora White of Brown-field; one son, Dean White of Cameron; one daughter, Mrs. Kathryn Mondrik of Cameron; three sisters, Mrs. Blanche Pierce of Cameron, Mrs. Phil Burlingame and Mrs. Hous-ton Spikes both of San Angelo; one brother, T. J. White of Los Angeles, Calif.

You Don't Say . . .

WHERE ZIT AT?

The "at", like the "ir" in irregardless, is superfluous, re-dundant, unnecessary, etc., etc. WHERE IS IT?

WHERE ARE THEY? convey the intent of the question suffi-ciently to render unnecessary the use of the very inelegant and very incorrect expression, "Where is it at?" and to elimi-nate the inclination to slur the words into "WHERE ZIT AT?" or "I DON'T KNOW WHERE IT ZAT!"

Corpr. by Adria Allen

DOUBLE S&H GREEN STAMPS Every Tuesday on all purchases with the exception of fertilizers and wholesale purchases. MACK'S OIL COMPANY.

Yoe Example Commendable . . .

At this writing, we don't know the outcome of the Yoe-men's regional cage efforts in this weekend tournament.

If the example of the Yoe win over Luling Tuesday with a good record behind their first entry into regional com-petition in a couple of decades, win or lose.

We are proud of this sports efforts and the YHS cagesters add to the dimension of ac-

complishment which has been considerable in other Yoe sports. Basketball's success this year continues to add to the dimension.

We are wishing, almost as the Saturday Regional com-petition is underway, the Yoe-men the best of luck, as might be expected, and commend-ing the example these and other YHS athletes present through the sports year.

Finger Lickin' Franchises . . .

When people like Minnie Pearl, Joe Namath, or Pat Boone come to a congress-ional hearing, that's celeb-rity news. It also advises that a Senate small business subcommittee is looking into that great new business ad-venturism; the franchises which are burgeoning all over America.

There is need for congress-ional scrutiny. These oppor-tunities for people to become small-business men by taking on a franchise are running up \$90 billion in annual sales.

Four pages of a recent busi-ness journal advertised ob-tainable franchises; every-thing from Dizzy Dean res-taurants to, of all things, a Frank 'N' Stein operation selling "monster" burgers and "haunted" ham. Some of today's franchisers are re-putable oldtimers. But there

are plenty of newcomers, and a few have folded fast.

The president of the Na-tional Association of Fran-chised Businessmen told Sen. Harrison Williams and his subcommittee that there are 1,200 franchisers, with 670,-000 franchisees, in the United States. The senators would like to see a law requiring disclosure (registration) of franchise agreements, plus control of advertising come-ons to prospective franchisees.

Many franchise enterprises, including some of the new ones, are legitimate busi-nesses. But if Americans are to become a nation of fran-chised shopkeepers and res-taurateurs, they'll want to keep out the unscrupulous and fly-by-night promoters.

Christian Science Monitor

New Traffic Laws

The Texas Safety Association reminds motorists that changes in Texas traffic laws now re-quire the driver approaching a paved street or highway from an unpaved roadway to yield the right of way.

Current estimates indicate that the Indian population in America is about 600,000, with about 400,000 living on reser-vations. About half of the Indians living on reservations who are able and want to work can't find jobs.

The Brazos River Authority has received authorization from the Federal Water Pollution Control Administration to advertise for bids for construction of the Waco metropolitan area regional sewerage system.

The authorization was accom-ppanied by praise from the direc-tor of the FWPCA south central region for the authority and the participating cities of the Waco metropolitan area.

Colonel Walter J. Wells, gen-eral manager of the authority, said the FWPCA approval is necessary under the terms of a federal grant of almost \$2 mil-lion to help pay the cost of the \$7 million project, and it clears the way now for the authority to advertise for construction bids on the regional sewerage system.

FWPCA regional director Wil-liam C. Galegar of Dallas com-mended the authority and the cooperating cities of the Waco metropolitan area for developing the first centralized regional sewerage system in Texas which is designed to serve an entire multi-city urban area.

"At a time when pollution of our water is one of the nation's most pressing problems," Gale-gar said, "it is encouraging and gratifying to see a group of cities and a state agency combine their efforts and, in spite of inflation, high interest rates and the in-creasing costs of construction, go ahead with financing and build-ing an area-wide central sewer-age system. Such regional sewerage systems offer the only effective way to deal with water pollution in multi-city metro-politan areas."

Wells said the participating cities of Waco, Bellmead, Lacy-Lakeview, Woodway, Northcrest and Beverly Hills deserve all the credit for bringing this unique regional system to reality.

"More than five years ago the cities recognized they had a com-mon pollution problem which could be properly solved only by cooperative action," he said, "and they took the initiative of asking the Brazos River Author-ity to make a feasibility study of an area-wide sewerage sys-tem."

A SALUTE TO OUR LOCAL HIGHWAY DEPT. CREW

Praise is Due Our Local Texas Highway Department Crews Who Worked All Night in Our Recent Cold Ice Weather To Sand Bridges and Underpasses.

As a Result of Their Ef-forts No Major Accidents Were Reported While the Icing Conditions Lasted, DPS Patrolmen Said the Highway Dept. Deserved the Credit For This.

Vocational Training Cuts One County's Relief Rolls

There is strong evidence that most heads of welfare families are trainable and willing to work, according to a five year experi-ment in Wisconsin conducted by state and university rehabilita-tion experts.

The findings contradict argu-ments for any form of guaran-teed income which would lock welfare, and low income families into their present condition, says the Chamber of Commerce of the United States.

Hearing Set On Suits

AUSTIN

Texas Atty. Gen. Crawford C. Martin announced today that an-oth-er step toward the satisfac-tory conclusion of the complex antitrust drug suits involving broad spectrum antibiotics which was filed against five major drug manufacturers in 1967 will be taken on March 24.

This is the date set by the U.S. District Court of New York for a hearing on the proposed settlement of these suits based upon the defendant drug manu-facturers' offer of \$100 million in full settlement made last year.

The Court's approval of this allocation plan would result in Texas receiving \$4,640,971. Consumers of Texas who timely filed their claims will share in the proceeds of the settle-ment, along with city and county hospitals, hospital authorities and hospital districts of the State.

Martin emphasized that the March 24 hearing relates only to the overall settlement plan and the distribution of moneys to be paid by the defendant com-panies to the various states and other class members. Individual consumer claims will not be considered at this hearing.

If the settlement plan is ap-proved by the court on March 24, there will be additional hearings, probably this fall or early winter, to consider the allocation of the proceeds among the individual claimants of Texas in each class.

During the experiment, the doors were thrown open to all the handicapped -- physical, mental, educational social and economic. Help was offered to the chronic unemployed, to families with in-come of less than \$3,000 a year, school dropouts, those from broken or disturbed homes, those with an illiterate parent, or with police records, those with mental disorders or retardation, cripples, alcoholics, diabetics, heart disease and cancer victims, and the like.

Results were phenomenal. Whereas Wood County, scene of the experiment, normally would have rehabilitated fewer than 100 persons in the five years, there were 1,339 rehabilitations. Of these, 265 were in the culturally disadvantaged group, most of whom were women heads of welfare families.

This same group showed the highest earnings benefit per dol-lar invested: 70 to 1. The ratio for mentally retarded was 37 to 1; for the physically disabled, 33 to 1; for the mentally ill, 24 to 1.

The experiment cost \$1 mil-lion. It cut the county's relief load in half, produced more than 1,300 new taxpayers and opened a new way of life for hundreds of families.

It was found that those in the so-called culturally disadvan-taged group were younger, more confident, more intelligent and more aware of their need for training than those in other groups. It took more time to motivate them to accept train-ing than it did the medically handicapped, but once persuaded, they required less counseling than the others and it cost less to rehabilitate them than anyone else.

The Wisconsin Division of Vo-cational Rehabilitation and the University of Wisconsin collab-orated in the test. Their gen-eral conclusion was this: "Many medically handicapped persons and virtually all of the non-medically handicapped remain cut off from one of the best tools yet to combat poverty: "voca-tional rehabilitation."

Edwin A. Bigose

Edwin A. Bigose, Mgr.

We salute the entire staff of the "THE CAMERON HERALD" for the fine assistance in preparing our twice weekly advertisements. We prefer to do our business with professionals. We know that a large percentage of the business in this office was secured from advertising in the HERALD.

We shall endeavor to make only the FINEST TAX RETURNS, in order to merit the continued confidence of our clients.

Sincerely yours,

H & R BLOCK CO.

CWU PLANNERS make final preparations for the World Day of Prayer Observance at Abiding Savior Lutheran Church, Cameron, 2:30 p.m., Friday, March 6, Rev. Gary Mayer of Rockdale will be guest speaker

and Mrs. Tom Corley (right) will present special music. Mrs. Jim Camp (left) will be Leader for the service and Mrs. Wirt Skinner (center) is president of Church Women United of Cameron.

Church Women United Observe PTA Meets At Rogers World Day Of Prayer On Friday

Cameron Church Women United will join millions of people on Friday, March 6, in a bond of prayer spanning six continents. Prayers will be offered in seventy-five languages and a thousand dialects observing World Day of Prayer.

Rev. Gary Mayer, pastor of the Peace Lutheran Church, Rockdale, will be guest speaker for the annual observance. Mrs. Tom Corley will present special music for the service. Also participating in the service will be Mrs. Jim Camp, leader, and Mrs. Frank Luecke, reader. Mrs. John Rosson and Mrs. Don Marquart are co-chairman for the World Day of Prayer.

Cameron Church Women United invite all to join this worldwide fellowship at 2:30 p.m., Friday, at Abiding Savior Lutheran Church, 12th and Fannin Streets.

This annual chain of prayer links the first voice at dawn in the tropical Tongas, just west of the International Date Line, with millions of others as it passes throughout the Day across oceans and continents. By nightfall, its message of hope will have followed the sun's arc until the last prayers are said in units of Church Women United

in Hawaii and the islands of Alaska.

The theme, "Take Courage," - "Moet Houde," "Stech Fest," "Esfuerzate" - was chosen and made relevant by an International Committee headed by Miss Gudrun Diestel of Germany. The program was developed as a housewife from Egypt, a church worker from Guyana, a church worker from the Philippines, and a woman from the U.S.A., discovered a common bond of worship and witness.

The challenge of the 70's across the continents is to bear witness to one's convictions when morals and decadence are at a premium. In India, Kenya, or the U.S.A., it takes courage to be open to the unknown in the 70's, which are bringing so many changes to families the world over. World Day of Prayer will be reflecting courage for responsible action.

World Day of Prayer provides an occasion for participation in a nationwide offering committed to helping others "take courage." This year's emphasis are: new religious educational materials for Latin Americans and Spanish-speaking families in this

country; support of a Secretary for Women's Work of the Near East Christian Council; the dispossessed Spanish migrant and Indian American communities. These are part of an Intercontinental Mission, a fund through which Church Women United expresses its concern for others in concrete terms including grants for Christian literature on six continents and grants to Christian colleges in Asia and Africa.

Church Women United are urged to honor in their own communities "Women of Courage," and these women will be highlighted in the August-September issue of THE CHURCH WOMAN, the ecumenical journal of Church Women United.

MOVING
The Alvis Fuquay family have moved to their new residence at 610 E. 9th Street.

MICROWAVE OVENS
The Health, Education and Welfare Dept. is reviewing a proposed Federal Radiation Safety Standard for microwave ovens which may be made public in February or March.

The Rogers Parent Teacher Association will meet Monday night March 2 at 7:30 in the school cafeteria, according to the president, Mrs. Edwin Psenick. The meeting has been moved forward one week in order to hold the meeting during Public Schools Week, Mrs. Psenick explained.

The National Junior High School Honor Society will give the program, which will be their induction ceremony of new members. Mrs. Johnny Martin is sponsor, and Danny Weems is president.

Teachers will be in their rooms to show parents and other visitors around.

IN NEW YORK
Mrs. Don Marquart and children are in Buffalo, New York where her father is undergoing heart surgery.

Maysfield

By Mrs. J. P. Wise

Weekend guests of Mrs. Vina White were Pat Gleason of St. Louis, Miss Mary White of Dallas, Mr. and Mrs. Tommy Gleason and children of Houston and Mrs. Doris Gleason of Freeport. Mrs. Leroy Massengale of Austin spent two days at her Maysfield home last week. She also visited her brother Hope Jamison who is ill in Scott and White Hospital.

Mrs. Mariema Massengale and Mrs. Leota Thweatt visited Mr. and Mrs. Eddie Ellis in Huntsville Sunday. Mrs. Ellis is the former Paula Massengale.

Mrs. Fred Jackson visited her son and family the Stanley Jacksons at Cypress last week.

Mr. and Mrs. E. B. Yager visited Mr. and Mrs. Albert Dornier at the home of their daughter and husband, Mr. and Mrs. Archey Prokish in Cameron Sunday afternoon.

We extend our sympathy to the family of Miss Eula Cooper who died suddenly at her home in Victoria Saturday night. Miss Cooper was reared near Maysfield.

Mr. and Mrs. E. B. Yager visited their son Dr. Billy Yager and family last Saturday and their daughter and family, the Malcolm Marions in Guevin Sunday.

Pamper your hair with precious proteins!

Plus Protein
by Caryl Richards

We've discovered a beautiful new way to add foundation and support to your favorite hair style.

It's Caryl Richards new Balsam Plus Protein Conditioning Salon Styling Wave.

It's more than just a wave, because Caryl Richards has added protein and emollients and other special ingredients to give your hair more body, more luster, more sheen.

So that you receive a styling wave as well as a conditioning treatment, both at the same time.

For a limited time only we're offering a beauty bonus. First a Balsam Plus Protein Conditioning Shampoo and then a Balsam Plus Protein Conditioning Treatment - both at no extra charge - with your Salon Styling Wave.

Call now for your appointment and let us pamper you and your hair.
